Dear Business/ Corporation:

The Springfield High School Cheerleading program has an inclusive cheerleading team for students with disabilities who cheer with their typically developing peers. Our team is called the Spartan "Sparkles" and is successfully in our 9th year! This program incorporates school awareness of students with disabilities, while promoting school spirit and providing a forum to make new friends. Students of any age, within the Springfield School District can participate on the Sparkle team.

As a member of the Sparkles, students learn cheers and competition routines, which they perform at the high school football/basketball games, at school spirit rallies, and local competitions. In addition, the Sparkles program helps to develop social skills for students with disabilities, while educating others about how to interact with students that have special needs. This is a reciprocating program benefiting all that are involved by unifying students to encourage school spirit.

The Sparkle Program is so excited to host its Second Annual inclusive cheerleading Spirit "Spark"-tacular Showcase on February 23, 2019. We would like to invite you as a vendor to sell your craft items for a small donation to the Sparkle Cheerleading Program for \$25 per table. DEADLINE: FEBRUARY 8, 2019. We greatly appreciate your support!
