

COLLEGE FOR
LIVING
a Summit DD  Initiative

Hello,

I hope you are safe and healthy!

Due to the continued worries about COVID-19, I am sadly cancelling the Summer Session of College for Living.

The health and safety of the participants and staff remain a concern, and the required social distancing still in effect is not possible for many of the activities and would in fact interfere with enjoying them. Also, there is the uncertainty of if/when the venues would be available.

I hope to resume activities in the Fall (August, September, and October), if possible. I will keep you informed.

If you have any questions, please do not hesitate to contact me (330-374-4803) or email me at mike.smeltz@blickcenter.org.
