# COLLEGE FOR LIVING PROGRAM

## SPRING SESSION 2025

### (March, April, May)

The COLLEGE FOR LIVING program gives opportunities throughout the year for individuals with developmental disabilities to take part in and explore local resources available in the community. Funded through Summit DD, this program offers citizens with disabilities a wide variety of activities to socialize, explore hobbies, or discover new interests. As the primary force in the community dedicated to inclusion, Summit DD believes that communities are stronger when they include everyone – with or without a disability. Discover more about Summit DD at [www.SummitDD.org](http://www.SummitDD.org).

The Blick Center is a private, nonprofit, outpatient clinic that began in 1969 with a group of parents of children with developmental disabilities and a few volunteer professionals. Together, they developed the Clinic into a single, comprehensive source of diagnostic evaluation, treatment, and support group services to persons with developmental disabilities. For more information, visit their website at [www.blickcenter.org](http://www.blickcenter.org).

**THANK YOU FOR PARTICIPATING IN THE COLLEGE FOR LIVING PROGRAM.  
WE ENJOY SPENDING TIME WITH ALL OF YOU!!**

Below are the current (as of 1/1/2025) CFL policies.

- **GENERAL:** Participants need to provide their own transportation to/from activities. For some craft activities, if the participant leaves in the middle of the activity they will not be able to take home a completed craft project as the craft requires the amount of time to put together and the group will not be held up so that an individual's project can be done before they leave. No pets are allowed at a CFL activity, only qualified service animals. No children under the age of 16 are allowed to attend an activity.
- **PAYMENT:** Payment for the entire session is due two weeks after your registration is confirmed. Payment can be made by check or money order payable to "The Blick Center," or in cash at the 640 West Market Street building. **There are no "pay as you go per activity" or credit card payment options.**
- **PAYMENT FOR BLICK PAYEESHIP PARTICIPANTS:** If The Blick Center is the participant's payee, an invoice for payment will be sent to the participant's payee at the end of the session.
- **REFUNDS:** No cash refunds given. In the event an activity is cancelled by the activity leaders for extraordinary circumstances (e.g., weather), a credit will be issued to those participants who are registered and have paid for the activity. The credit will be kept on file and the participant and/or their contact will be notified of the credit amount.
- **REFUNDS FOR BLICK PAYEESHIP PARTICIPANTS:** No cash refunds given. If a Blick payee participant is a no-show for an activity, the cost of the activity will still be included on the invoice sent to their payee. If they cancel an activity, then the cost of that activity will not be included on the invoice to their payee.
- **NO-SHOWS:** For participants who no-show for an activity, no credit will be given for that activity. Participants who need to cancel for extraordinary circumstances (e.g., illness, staffing or transportation issues, family emergencies, etc.) will be issued credit for the cancelled activity. **In order to receive credit for cancelling, you MUST notify Mike Smeltz (330-374-4803) at least 24-48 hours before the scheduled activity.** This will give us the opportunity to offer the place to a participant on the waiting list for that particular activity. The credit will be kept on file and the participant and/or their contact will be notified of the credit amount.
- **ACTIVITY ATTENDANCE:** When a participant consistently no-shows for activities, this prevents other participants from attending that activity. Participants who consistently no-show for activities, even though payment has been received for those activities, will be removed from future CFL mailings. A notification will be sent if you are going to be removed from the CFL mailings.
- **ACCOMPANYING STAFF:** The need for an accompanying staff should be based on the needs of the participant. CFL activities are intended for the participants to socialize with their peers, and we do not want family members or staff to hinder this objective. For some activities (e.g., bowling, tie dye, crafts) accompanying people will not be able to participate in the activity itself except to assist the participant.

For some activities (e.g., restaurant, movie theater), the accompanying staff would need to bring their own money to pay directly to the restaurant. If the activity involves a movie, then the accompanying person should bring the price of the movie ticket published in the brochure. This will allow the accompanying staff to sit along with the group as the seats are reserved.

The monetary requirements of the food portion of the activity for the accompanying staff will be printed in the brochure for each specific activity. The money can be sent in with the registration form or paid at the time of the activity. **Please indicate on the registration form if an accompanying staff intends to eat with the participant so that sufficient food can be ordered.**

The number of accompanying staff per participant should be limited to one. If the participant requires more than one accompanying caregiver, please indicate this on the registration form and provide a brief explanation as to why.

- **GIFTS/PRIZES:** Only participants are eligible to receive any gifts or prizes given at an activity.

**IF YOU HAVE ANY QUESTIONS OR CONCERNS REGARDING THESE POLICIES PLEASE CONTACT  
MIKE SMELTZ (330-374-4803)**
